\*Lucmila Schostakovsky de Cortes, the daughter of Union Eslava president Pablo Schostakovsky, appears to have taken the place of Czeslaw Bujwid in the Bank's contacts with the Soviet Legation. Sra. de Cortes also handles a large amount of correspondence, much of which has nothing to do with affairs of the Bank.

25X1X [REDACTED]

\*\*The real name of Helena Zawadzka is said to be Bronstein. Although once reported to be an anti-Communist informant for the police in Poland, she does not seem to be in disfavor among Polish Communists in Buenos Aires.

\*\*\*Kasimiro Rytzel is an anti-Communist Pole employed by Nowinski to win the good will of local pro-London Poles.
